Summer Citrus Fertilizing

Practically all growers agree that the "Fruit & Vine" type fertilizer makes the most desirable sized fruit and gives it the finest flavor and highest quality. But there is a wide difference in opinion as to what materials this fertilizer should be made from. This is due largely to local conditions, character of soil, etc.

To meet these different requirements, we have prepared seven different "Fruit & Vine" fertilizers in six different analyses; some based on "animal" (or organic) materials, some on "chemical" (or inorganic) materials, and some combining the best qualities of both.

Our free booklet "Armour Fertilizers" contains a full description of these different brands and a discussion of the merits of the different materials. Have you got your copy?

COATED TONGUE MEANS LAZY LIVER

A Lazy Liver Needs a Dose of Dodson's Liver Tonic—Guaranteed To Take the Place of Calomel.

When your doctor looks to see if your tongue is coated, he is trying to find out if your liver is working properly. A few years ago doctors had to prescribe calomel—there was nothing else to give.

Recently in many sections of the country Dodson's Liver Tonic has practically taken the place of calomel as a liver remedy. Dodson's Liver Tonic is mild, pleasant tasting and harmless—which makes it a fine medicine for use when your children become bilious and constipated. But the most remarkable feature of Dodson's Liver Tonic is the fact that the Seminole Pharmacy who sells it, guarantee it absolutely. The druggist will return your money without argument if a bottle fails to give entire satisfaction.

Price 50c. We suggest that you get a bottle today and have it ready for the next member of your family whose liver goes wrong.

Levied upon as the property of the said H. M. Royall. Terms cash.

J. L. DISHONG, Sheriff of DeSoto County. This the 20th day of May, 1913.

NEIGHBORING TOWNS

Charlotte Harbor

Charlotte Harbor, May 26—Our community was very much refreshed Friday night of last week with a fine rain.

Mrs. E. C. Knight of Tampa, who has been visiting with her parents and many friends for a week, returned home Saturday of last week.

T. B. McLeod of St. Petersburg is a visitor with his sister, Mrs. S. E. Giddens of our town. Mr. McLeod seems to be favorably impressed with our little town.

T. C. McEachin of Meredith, Fla., one of the principal factors of the new railroad project, spent a short time in town and on the proposed route and was favorably impressed with the country, and passed upon the route, leaving us with the impression that construction would set in at the earliest possible moment. So the right of way is being secured as rapidly as possible.

Married, at the home of the bride's parents, Mr. and Mrs. J. L. Martin, at Murdock, Sunday evening, Albert Keen to Miss Effie Martin. Our town was well represented on the occasion. Our people extend their hearty congratulations to Mr. Keen and his charming bride, as they are both well known in our town.

We are pleased to say that Mrs. R. E. Garner, whom we mentioned last week as being a visitor to our town and whose health was a little run down, seems to be improving. We hope to see her in good health again soon.

Mrs. Mary Ketter of Tampa, is a pleasant visitor with her mother, Mrs. T. S. Knight this week.

W. W. Knight has just returned home from Southern College. Billie is looking real well, as though he was in good health.

J. Lee Knight and Master Albert took a run up to Tampa last week on business and pleasure.—OLD TIMER.

Bermont

Bermont, May 27—Myrtle and Louise Washington of Punta Gorda, have been visiting Irene Gatewood this week.

Rev. F. W. Nolte filled his regular preaching appointment at the school house Sundays.

G. W. Gatewood and N. Corbit have been hauling freight from Cleveland for the Bermont grocery.

Geo. M. Berry returned home Tuesday from Nocatee where he has been picking oranges.

Joe Gatewood left last Saturday for Greenville, Ala., to spend the summer with his cousin, Joe Washington.

The dance given by the Misses Tillie and Ella Toth at their father's last Tuesday night was well attended, Nocatee, Arcadia and Bermont being well represented. Refreshments were served consisting of ice cream, cake and watermelon. All had a delightful time.

D. M. Wright and grandson, Clifton Bellingsly of St. Cloud returned last Wednesday after a pleasant visit to friends and relatives at St. Cloud.

Mrs. Ed Edmunds and son, Richard, returned home Tuesday evening after an absence of several weeks.

Our community was blessed with a good hard rain this week. Everybody feels better and the gardens look better.

John Shenefield, Andrew Wiggins, Raleigh Wiggins of Punta Gorda, were visiting at the home

of Mr. and Mrs. J. W. Shenefield Sunday.

Omar May returned home Tuesday from McCall, where he had been working for awhile.

The literary society meets at the school house next Saturday night.—CITIZEN.

Bairdville

Bairdville, May 27—Fine showers this week have put the ground in fine condition to sow rice.

Mrs. Oscar Kahl and son, Arthur, were at Cleveland Monday.

Louis Baird marketed a wagon load of watermelons in Punta Gorda Saturday. As fine a lot of melons we have never seen grow in any of the northern states.

Sam Huffman arrived Monday with five head of horses and mule and household goods. He has come to make Florida his permanent home.

We are glad to have him with his family in our midst. Florida has a place for all good citizens who desire to live where climate and health can not be surpassed.

Mrs. Lola Basham arrived from Texas Monday to visit her parents, Mr. and Mrs. Huffman.

Pumpkins are plentiful and everyone seems to enjoy the old familiar pumpkin pie, even though Thanksgiving day is far away.

The wild grapes that have been brought in from the gullies are surely fine. They add many fine dishes to the daily menu.

Remember the colonial celebration to be held at Bairdville on the Fourth of July.

L. E. Huffman transacted business in Punta Gorda Saturday.—MEADOWLARK.
